Starting your research career - DFG funding programs and application procedures

*Andreas Görlich,
Melina Overhoff-Bühnen and Stephanie Wegener
DFG Head Office, Bonn*

This workshop intends to introduce the German Research Foundation (DFG), its funding programs and the application and review procedures to researchers at an early stage of their scientific careers. Among others, we will cover research grants, the Emmy Noether- and the Heisenberg Program and will give valuable tips and tricks for a successful application, with a focus on grants in the neurosciences.

After the workshop, appointments for individual consultations are available. For further information on these, please refer to the announcements given on site.
